

Hi Lucas,

Thank you so much for your time and strong interest in our DevOps/Build Engineer (Contract) role here at Santa Monica Studio. Unfortunately, after careful consideration, we have decided not to proceed with your candidacy at this time.

We know you have a lot of different options when applying to a new role and are humbled that you selected us as a potential future place to work.

Although it didn't work out this time we encourage you to try again in the future or to apply to other roles you may feel you are a fit for.

All the best
